

uTypia Consumer Basic Shop

uTypia Consumer Basic is the economical and maintenance-free version of our Consumer shop. Our Basic shop has many of the same impressive features as our full Consumer shop and is the perfect solution to start selling rubber stamps online quickly and inexpensively.

The predefined catalog of Trodat product and a retail price list based on the "big books" allows you to offer the best product selection, competitive pricing and a search engine friendly web store ready to take orders.
